Previews and Screenshots

Adding accurate screenshots of your app on the newest devices can help you represent the app's user experience. Keep in mind that we'll use these screenshots for all display sizes and localizations. Screenshots are only required for iOS apps, and only the first 3 will be used on the app installation sheets.

Build

 If your app uses encryption, you're required to upload

export compliance documentation. You can submit this documentation before you submit your app for review in the [App Encryption Documentation section](#), or by uploading your app below.

Upload your builds using one of several tools. [See Upload Tools](#)

☐ Game Center

 Game Center components can now be added for review directly from the Game Center section. You can no longer select them from the app version page. [Learn More](#)
